Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — Science Applications International Corporation of San Diego is being awarded a \$23,663,971 indefinite delivery/indefinite quantity-type contract with cost-plus-fixed-fee pricing for research and development for command, control, communications, and intelligence (C4I) infrastructure engineering. Specific efforts include network engineering, security engineering, systems administration, security assessment, and product security certification for C4I systems. The contractor will be teaming with the following firms: Fuentez Systems Concepts, Inc., of North Charleston, South Carolina; Science & Engineering Associates, Inc., of San Diego; Merdan Group, Inc., of San Diego; Lloyd Lamont Design, Inc., of Herndon, Virginia; and R.L. Phillips Group, LLC, of Carlsbad, California. This will be a five-year contract with no options. The period of performance for this contract will be from September 19, 2000 to September 18, 2005. All work will be performed in San Diego. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured via the SPAWAR e-commerce web site with nine offers received. This award is one of four contracts awarded under Solicitation No. N66001-00-R-5026. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-D-5102).
